

PARTNER IN MISSION

SERVING NEIGHBOURS & NATIONS

Chaplains are ‘hands on’ when it comes to engaging people in need of comfort, love, direction, healing, hope, and encouragement. These versatile men and women can be found in a wide variety of settings including hospitals, nursing homes, corrections (prison), military, corporate sector, emergency services, schools and more.

Chaplains are theologically educated and specifically trained to minister in the community, often beyond the reach of the traditional church.

Alliance chaplains come alongside people who are hurting, broken, lost or searching, regardless of their culture, religion or belief system.

Please pray...

- For protection against the schemes of the enemy, both for myself and my three chaplains in Edmonton, Calgary and Mississauga.
- For all four chaplains to be disciplined and obedient to the direction the Holy Spirit offers us
- That we would be 100% receptive to the needs of the people we minister to.
- For strength that lasts as we deal with every conceivable problem and challenge that our people bring to us.
- That our people, regardless of faith, religion, gender, bias or beliefs, would see Jesus Himself reflected in every activity we undertake.
- That this chaplaincy ministry would take hold in EVERY company and business in Canada.

Rev. Cyril Gowler **Corporate Chaplain**

Cyril Gowler is blazing the trail in the world of corporate Chaplaincy in Canada. Cyril not only provides direct pastoral care to many of the employees of the Edmonton All Weather Windows factory but also oversees chaplains within the company’s other sites.

Cyril’s vision is for the workplace across Canada to realize the benefits of having Chaplains on staff. He is actively involved in promoting and supporting Chaplaincy in the Alliance denomination and beyond.

Cyril has been a member of St. Albert Alliance church since its early days, and spent 5 years as a Pastor here before God called him to be a Pastor in the workplace.

As a church we have committed to support Cyril; in prayer. His “congregation” is represented by people from 46 countries and these people have a vast spectrum of needs to attend to.
