

**Rev. Greg D. Musselman**  
Vice President of Media and Domestic Ministry

After three years as a volunteer, Greg joined the Voice of the Martyrs full time in 2003. He is currently the Vice President of Domestic Ministry and Media. He goes into hostile territory where fellow brothers and sisters who are facing opposition for Christ's sake are being persecuted.

He gathers reports for television and print media from around the world to tell the story that may not be told otherwise. Greg also produces documentaries for the mission and VOMC'S radio and television programs.

Greg shares his passion to be the Voice of the Martyrs by actively sharing the stories that have been collected on campuses, in churches, and conferences around Canada. Greg released his first book " Closer to the Fire, Lessons from the persecuted Church" in 2012. which is a collection of interviews from Christians around the world and shares how their stories of faithfulness amid persecution have impacted his life.

We as a church are committed to standing with Greg and Arlene and his grown children while he stands on the battleground.

***Please pray...***

- Please pray for safety when Greg is traveling to countries that are very unstable.
- Please pray for Greg's health while he is traveling. Before during and after.
- Please pray for Greg's wife Arlene especially when he is away for extended periods of time and his reassurance during his travel times away.
- Please pray for strong connections with the persecuted believers so we know how to help them and which stories we need to tell
- Please pray for wisdom and discernment as Greg is starting to do more teaching and training of Christian leaders in hostile nations and in Canada.
