SERVING NEIGHBOURS & NATIONS

We also believe that the bible teaches us to seek after teenagers and to love them unconditionally as individuals. We do this by entering their world. For more information on Young Life check out our website at: [www.younglife.ca](http://www.younglife.ca)

I remember the first time I went to Young Life in 1996. I entered this random house and tripped over a pile of shoes by the front door. When I gathered my footing I received a high five from a smiling Young Life leader. I spent the next hour intrigued, confused and mostly laughing out loud. It was an hour that changed my life and it was then I decided I was going to be a Young Life leader!

Young Life has been around for 75 years and the reason why it continues to exist is because of one simple belief.

It is the belief that every teenager has the right to know the truth about Jesus Christ.
