

# PARTNER IN MISSION

SERVING NEIGHBOURS & NATIONS

## Layna Haley

Prayer changes things. It creates, it heals, it restores. It is the way in which God chose for us to communicate with Him and how He asks us to present our requests.

Kaleo (ka-leh-oh) means to call, invite or summon. I believe this is the Father's heart for all people – to draw each person to him, no matter where they find themselves today. Kaleo is a monthly prayer gathering that meets at La Crema Café in the heart of downtown St. Albert on the last Thursday of the month. I lead a team of people who are passionate about prayer and together we pray for the community of St. Albert, for its leaders and for the people who attend the Kaleo event. Together we reach out to the community and welcome all people in. Those who attend Kaleo are treated to a guest speaker who shares an encouraging testimony of how God has met their needs through life's trials with loving compassion. Prayer is offered to anyone who wants it and refreshments and fellowship are plentiful. We package up all the leftover food and send with the homeless and any of our guests who need an extra meal. I believe God loves to meet practical needs through his lavish love and this is just one more expression of it.

Through Kaleo, we bring the love of Jesus to the people. I find that His love is often first felt through the arms of someone who is filled with God's love. We want people to recognize the need for Jesus in their lives and that they would come to know Him as their Lord and Saviour; we want to show them that we love because He first loved us. Kaleo is our way of putting love into action.

It is an honour and privilege to get to partner with the church community of St. Albert to bring prayer outside of the walls of a church and into the walls of a casino. We are blessed to have many churches of St. Albert represented at Kaleo; those filled with God's love, extending His love. We are seeing miracles take place and believe this is only the beginning.

Thank you for partnering with me and my team as we go forth and spread the love of Jesus Christ so that all may "Experience Kaleo".

## Please Pray:

- That above all God would be glorified through Kaleo
- That the ministry would thrive and grow
- That we would reach the people in need and those who God intends to come would make it
- For protection over the lives and families of all of the team members
- For God's favour to be upon us as we minister in the community
- For the community of St. Albert to experience God's love for them personally
- That the fabric of families in St. Albert would be knit tightly together
