

PARTNER IN MISSION

SERVING NEIGHBOURS & NATIONS

Please pray...

- Please pray for Melissa’s health as she begins a busy school schedule while balancing Chaplaincy & family.
- Please pray for Melissa’s husband Chad as he will be supporting her through this calling and the next seasons of academics.
- Please pray for wisdom and discernment as Melissa walks with all different people from all walks of life and faith beliefs that the Lord would equip her with His peace, courage and words of knowledge and compassion.
- Please pray for Melissa and Chad that God would provide the funding for her to return to school to become a fully equipped Chaplain.

Melissa Baker
Corporate Chaplain Intern
Association of alliance Chaplains (AAC)

Melissa is working in the Corporate world as a licensed Alliance Chaplain Intern with All Weather Windows Inc. Within this setting she works on the front lines with employees from many different backgrounds navigating difficult situations.

Melissa spent a year and a half as support to the Missions and Community Engagement Pastor at St. Albert Alliance Church. Through this position she found a deep calling to Chaplaincy. Taking a huge step of obedience Melissa also started her Masters in Theological Studies.

Melissa has been working for 6 years as a Birth and Postpartum Doula. She has always felt a deep compassion and love for the less fortunate and marginalized people of our broken world.

We as a church are committed to standing with Chad and Melissa and their three children while they are obedient to the Lord’s calling on her life.
