

# OUR CHURCH IN MISSION

SERVING NEIGHBOURS & NATIONS

## *Please pray:*

- Please pray that Chris & Melissa would remain unified in their parenting.
- Please pray that God would provide the finances so that Chris could stop working and Melissa & Chris could work together in their home ministry.
- Please pray that God would provide love & support in the way of relief workers so that Chris & Melissa may have time with each other to stay connected and healthy.
- That God would bring many more people to be open to this precious ministry as foster and adoptive parents in their homes.

## **Chris & Melissa Strike Family** Adoptive & Foster Parents

Chris & Melissa have been attending St. Albert Alliance Church since 1997. After leading the Mustard Seed Ministry and working with the devalued and disenfranchised, God asked them to put their passion to practical life and become foster and adoptive parents . They began their journey in January 2005 and now have fostered and adopted three beautiful children and are presently working through adoptions 4 & 5.

God quickly showed them their strength was working with drug and alcohol addicted babies as well as working with the biological families to maintain connection for their children.

As they continue on their journey God continues to surround the Strike family as they continue to be obedient to His calling on their lives.
