

SHARE & WEAR VOLUNTEER COMMITMENT

Vision:

Share & Wear is a free shopping event which gives people in St. Albert and surrounding communities, the opportunity to donate and/or take new or used clothing and household items. It is held at St. Albert Alliance Church twice a year.

Share & Wear is an event where every person who volunteers and every person who “shops” is seen and valued. This is only possible as we work together as a team from the church and the broader community to serve as one team for the sake of others. The core values of Share & Wear are generosity and hospitality.

Volunteer Commitment:

As I commit to volunteer at St. Albert Alliance, I agree to the following:

- Be a representative of the above vision for this event.
- Relate to others (particularly in conflict) with honesty, directness and respect.
- Take direction from those in leadership and work together as a team; following through on commitments I have made to the team.
- Remain open to giving feedback and receiving feedback from those in leadership.
- Not use my position as a platform for promoting personal views, agendas or beliefs in person, as well as, online - via social media posts or comments.
- Refrain from using alcohol and/or drugs while volunteering.
- To not allow any form of substance abuse to impair my ability to volunteer.
- To use respectful speech – no slander, gossip, swearing or derogatory language.
- Dress in a way that does not distract or draw inappropriate attention to myself.
- Smoke only in designated areas.
- Shop for myself, only, during the designated time on Friday night or by lining up with other members of the public on Saturday morning. This makes it fair for all volunteers
