**Legacy can inspire us to carry on, to continue moving forward when our circumstances might tell us otherwise.**

## Hebrews 12:1-2 NLT

*Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us. We do this by keeping our eyes on Jesus, the champion who initiates and perfects our faith.*

## Corinthians 3:5-8 NLT

*After all, who is Apollos? Who is Paul? We are only God’s servants through whom you believed the Good News. Each of us did the work the Lord gave us. I planted the seed in your hearts, and Apollos watered it, but it was God who made it grow. It’s not important who does the planting, or who does the watering. What’s important is that God makes the seed grow. The one who plants and the one who waters work together with the same purpose. And both will be rewarded for their own hard work.*

**God will not do for us what he’s made us responsible for.**

### Apprenticeship Prayer Partner Questions:

1. Who are the people or places that I am investing my time, talents or resources in, helping to cultivate fruit that becomes life found in the now available kingdom of God?
2. What are the seeds I am planting or watering as I join in the work that God is doing?
